Please read: We have been made aware of a few people within our branch who have medical reactions, sometimes severe, to perfumes, fragrances, and other scents.

We are switching our cleaning supplies at the church to, hopefully, better/healthier products that won't contribute to these health issues.

We ask that you join us in this effort by reducing the use, or stopping the use, of fragrances. While I know this can be an inconvenience to some, the benefit allows others to still worship together with us.

Please be prayerful and considerate about what you do, that it may be done in love.
