

## **Message of Hope**

Given to Marilyn Middleton on March 10, 2022

Because I have chosen you  
To be my daughter and son  
I'll work with you always  
Until the job is done.

Through pain and trials and sorrows  
In joy and peace and love  
I'll be along beside you  
With encouragement from above.

So in those days of darkness  
Look for the rays of light  
Know I'm your Loving Father  
Who will ever make things right.

Put your hand in My Hand  
Trust Me with all your might  
I will defend and save you  
Whatever be your plight.

I am the Great Creator  
King over Heaven and Earth  
Bring to Me your broken heart  
And I will count its worth.

Lift up your head, rejoicing  
Secure in My love for you  
You have a place in My Kingdom  
Where all things are made new.

These words came to me (Marilyn) as I woke on Thursday morning. I need to share them because they are for you too.
