

VBS Parents:

We look forward to a great week of lessons, crafts, and fun at VBS this year July 15th to 19th 6:00 p.m. to 8:30 p.m.. Children can arrive as early as 5:45 p.m. to pre activities downstairs. This year's theme is, Created in His Image, Designed for His Purpose. This is a creation centered VBS.

We will be providing heartier snacks for the kiddos this year since they will be arriving very close to dinner time. These snacks will be given at the beginning of our time together each night.

Drop off and pick up lines will be available again this year. We are stressing that all parents utilize the pick up line this year, each night, as it will help with parking lot safety since we will be dismissed as it will be getting dark.

Friday, July 19th, as a fun way to end our time together we will be having a water night full of games and activities. Please make sure your kids come dressed in clothes and shoes they can get wet in (please no flip flops). More information will be sent home during vBS week.

Mark your calendars: Sunday July 21st the kids will be singing their VBS songs during our 10:30 service. More information regarding this will be forthcoming.

If you have any questions please text Lexxie or Adele.

Thanks for sending your kids to Outreach VBS,
